

N&J - Labour & Plant Hire

Since the 90s N&J has established a considerable expertise in the civil engineering and construction industries. They now provide a comprehensive resource of experienced contract staff and an impressive portfolio of plant to some of the leading UK construction companies.

Edmund Nuttall Ltd, Wates Homes, Realtime Civil Engineering Ltd, Jackson Civil Engineering Ltd, Birse Construction Ltd, Murphy Dyer & Butler, Interserve Building, Ascon Ltd, Hochtief UK, Gilpin Demolitons, J J Coughlan and Colas Limited, to name but a few, all recognise the enormous benefits of using this progressive and professional company.
